GETTING STARTED:

Please charge Aphrodite for 90 minutes prior to use. We would **always** recommend cleaning your new toy (heart only, please ensure remote is not near water) before using. See cleaning instructions for more information.

SIZE:

Vibration heart: (50.5 x 24.8 x 22.8mm). Remote: 1.46 in (37mm) x 2.44 in (62mm)
Control distance: 5-10m

ON/OFF:

Vibration heart:

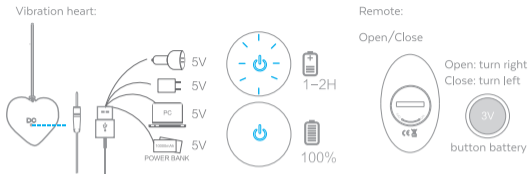

Remote:

CHANGE PATTERN:

1. Hold "⏻" on heart 3s to place into standby mode.
2. Hold "⏻" on the remote for 3s to turn on, then press "🔊" to switch patterns.
3. To pause vibration, hold for 3s "⏻". Within 20 minutes the remote can directly reactive the heart. After 20 minutes the device will be switched off. Repeat above to restart.
4. Hold the "⏻" button for 3s to switch off.
5. Pitch and pulse of sound differentiates for different models

USB CHARGING:

★ Please slowly insert into the DC charging port.

CLEANING:

Always clean toy (heart only) before and after use. A trusted brand of sex toy cleaner would be best, otherwise some warm water and antibacterial soap will suffice. Pat dry with a lint free towel. Please ensure any products you are using to clean do not contain alcohol, petrol or acetone. Store in a cool dry place ideally in storage bag or box provided.

SAFETY:

- This product is designed for external use only
- Always clean product before and after use
- Do not use if you have skin irritation
- Stop use immediately cease use you have any discomfort
- Do not use charger near water
- Only use the USB cable charger provided
